A Message from Mrs Gordon

Dear Parents and Carers,

Apologies to the parents who have not been receiving emails and messages from the school. we have had an issue with our management information system, which we hope is now fixed. Past copies of the newsletter and bulletins are on the school website for your reference.

Thank-you to our school choir and the parents and staff who supported them, while they sang at the Hunston Christmas market. Mrs Robins and Mrs Massey were very proud of them and it was lovely to be part of the community event.

This week on Monday, Ladybird Class had a puppet making workshop, which was a lovely event which resulted in them making their own puppet frogs, which were fantastic. They have spent the week making different types of puppets and creating stories to go with them- great fun! They even wrote some instructions about how to make a puppet using their phonics and writing skills.

Year 5 and 6 had a great trip to Chichester cinema yesterday to watch their free film as part of the Into Film festival. They really enjoyed the film and the experience of going to the cinema with all of their friends.

Today was Year 5's turn to take the first level of their Bikeability. This is excellent preparation for their Year 6 course and prepares them for when they will be ready to use the road.

We have had two team entries to local tournaments this week. On Tuesday our Year 5 and 6 girls' football team went to the area tournament. They played well considering they haven't had much time to train together and should be proud of their teamwork.

Yesterday, local firm Newey came along to plant a tree in our grounds as part of National Tree week. A group of children watched the planting and a few even took part. It was a great opportunity to find out more about why planting trees is so important and how valuable they are for our environment. It is a flowering cherry tree so we look forward to the Spring when we will see the beautiful blossom.

Today our Year 5 and 6 boys took part in an indoor cricket tournament- well done to everyone who took part.

Some of the school council came with me today to decorate our North Mundham Primary School Christmas tree entry in the St Stephen's Christmas Tree festival. Year 5 helped by making some beautifully decorated North Mundham inspired stars. If you have any spare time this weekend do pop down to the church to have a look at all of the beautifully decorated trees.

Thank-you to all of the parents who attended the Parent coffee morning on Tuesday, we hope you found it useful. We hope to host other events soon. Thanks also to all the parents who came to Ladybird Class yesterday to find out about Drawing Club and join in with a session with the children. Hopefully it will help you to help your child as they develop their creativity and love for drawing and writing.

A huge thank-you to everyone for your donations for our Christmas Fair, it is shaping up to be a really lovely event next Friday after school.

Best wishes,

Zoe Gordon, Headteacher

Online Safety

Newsround on Thursday had some excellent advice about avoiding scams on the game Roblox that we know some of our children play. Do take a look and ensure that your child is aware of the dangers.
